Resolution to Preserve and Protect the Alamo

WHEREAS the Alamo is the cradle of Texas liberty and has been the paramount symbol of our heritage for almost 200 years; and

WHEREAS there are forces at work to remake or “Reimagine” the history of the Alamo and diminish its inspiring message while the property around it undergoes renovation to increase profit from tourism; and

BE IT RESOLVED that decision-making authorities shall affirm and emphasize the intrinsic significance of the 1836 battle in telling the story of the Alamo; and

BE IT FURTHER RESOLVED that the Republican Party of Texas respectfully asks that the Texas General Land Office voluntarily commit to transparency in finances and operations of the Alamo, including the open records requests for information from nonprofit corporations engaged in the restoration and operation of the Alamo; and

BE IT FURTHER RESOLVED that Texas’ authority regarding the Alamo shall not be infringed upon by any organization or authority, including but not limited to local governments, the federal government, the United Nations, or UNESCO; and

BE IT FINALLY RESOLVED that this resolution be submitted to the Texas General Land Office and to the 2018 Republican Party of Texas convention Platform and Resolutions Committee for its consideration.

RESPECTFULLY SUBMITTED 9-23-2017

Preserving Historical Landmarks

WHEREAS the Republican Party of Texas was founded during Reconstruction by African American and Anglo Texans united by common principles; and

WHEREAS Democrats in Texas and throughout the United States for decades divided citizens by race, suppressed the franchise, endorsed segregation, and supported Jim Crow laws; and

WHEREAS Democrats around the United States consistently resisted legislation to give equal rights to all Americans; and

WHEREAS the 1924 Democratic National Convention, popularly known as the Klanbake, and other gatherings of Democrats for many decades refused to condemn the Ku Klux Klan and other supporters for racially-motivated violence; and

WHEREAS the senior Democrat in the United States Senate, as recently as 2010, had formerly been a member of the Ku Klux Klan; and

WHEREAS Democrats to the present day continue to endorse policies which pit Americans against each other based on race and ethnicity; and

WHEREAS the Republican Party of Texas wholeheartedly embraces the spirit of Dr. Martin Luther King, Jr., to judge people "by the content of their character" and not -- as so many Left-wing groups do today -- "by the color of their skin"; and

WHEREAS a nation that forgets its history is doomed to repeat its mistakes; and

WHEREAS the preservation of plaques, statues, and other historical sites and markers absolutely does not confer an endorsement of beliefs held by individuals long since departed ("autres temps, autres moers"); and

WHEREAS many shortsighted and ignorant people, such as the Taliban destroying the Buddhas of Bamiyan in 2001, seek to send history down the memory hole in an attempt to control people; and

WHEREAS the 2016 Republican Party of Texas Platform supports "preservation of Texas History and historical sites"*; now

THEREFORE, BE IT RESOLVED that the Republican Party of Texas affirms that historical sites in Texas should be preserved and maintained so that free-thinking individuals can understand and judge the past by their own standards; and

BE IT FURTHER RESOLVED that the Republican Party of Texas continues to support equal rights, as endowed by our Creator and guaranteed by the Constitutions of the United States and of Texas, for all Texans.
