

Legislative Priorities

Protect our Elections

Restore felony penalties and enact civil penalties for Election Code violations, which shall be enforceable by any Texas jurisdiction, including the Texas Attorney General. Require citizenship verification of each voter. Restrict the distribution of mail-in ballots to only disabled, military, and citizens that are out of state. Reduce the time allowed for early voting, and eliminate the three day gap between early voting and election day. Establish closed primaries in Texas. As technology evolves, we encourage the passage of legislation that ensures the security of our elections.

Protect the Electric Grid

Secure the Integrity of Texas Electric Energy production and delivery with abundant, reliable, and resilient energy. Ensure that the Texas Grid can withstand any natural or man-made threat to include weather, cyber, physical, Electro Magnetic Pulse (EMP) and Geomagnetic Disturbances (GMD).

Eliminate Property Tax

Eliminate property tax and ancillary taxes such as franchise taxes and replace with a consumption tax not to exceed 10% cumulatively.

Abolish Abortion in Texas

Abolish abortion by ensuring the right to life and equal protection of the laws to all preborn children from the moment of fertilization, including adopting effective tools to ensure the enforcement of our laws to protect life when district attorneys fail to do so.

Ban Gender Modification of Children

Texas must ban chemical castration, puberty blockers, cross-sex hormones, genital mutilation, bodily alteration surgery, psychological/social transitioning, and any other methods applied to or performed on children.

Ban Taxpayer-Funded Lobbying

Eliminate the use of tax dollars to hire lobbyists or pay individuals or organizations that lobby any governmental entity.

Stop Sexualizing Texas Kids

Repeal Texas Penal Code "Obscenity Exemption" 43.24(c), which allows children access to harmful, explicit, or pornographic materials and 43.25(f)(2-3), which allows sexual performance by a child under the guise of education. In addition, prohibit teaching, exposure, and/or discussion of sexual matters (mechanics, feelings, orientation, or "gender identity" issues), and prohibit use or provision of related books and other materials using criminal, civil or other enforcement measures.

Protect Medical Freedom

All Texans must be free to make their own medical decisions and have those decisions followed in all situations. This is not limited to life-sustaining treatment (repeal the 10-Day Rule), vaccinations, and

COVID-19 treatments (oppose vaccine passports and mask mandates). Allow providers to offer alternative treatments without fear of retribution, discrimination, or privacy violations for all persons involved.

Secure the Border and Protect Texans

Texas shall immediately deny all taxpayer funded services and subsidies to illegal aliens. We call upon the Governor to assert his duty under Article 1, Section 10, Clause 3 of the US Constitution to declare an invasion on our Texas border and do everything in his power to protect Texans from this invasion. The legislature shall direct the Governor to enter into an Interstate Compact with one or more states for Border Security.

Ban Democrat Chairs

To ensure all legislative priorities are given a fair opportunity to become law, the Republican-controlled Texas legislature shall adopt a rule that would end the practice of awarding committee chairmanships to Democrats.

Stop Executive Overreach

Reform emergency powers at the state, county, and city level to prohibit the creation or suspension of laws that impact entities such as religion and business. Convene with full authority the state legislature, county commissioners court, or city council to ratify, alter or terminate any emergency declaration within 14 days.

Defend Our Gun Rights

Protect our gun rights against threats, such as red flag laws, federal, state or other restrictions, by strengthening and preserving our inalienable rights under the second amendment to protect our life, liberty and property.

Convention of States

Extend Texas' call for a Convention of the States to limit the power and jurisdiction of the federal government.

Educational Freedom and Parental Rights

Empower parents as the primary decision maker for their children. Texas shall create a Parents Bill of Rights with enforcement mechanisms and civil and criminal penalties. These rights shall include but are not limited to: the right of their choice of schooling, where the money follows the child without strings attached. The right to education free from any propagation of discrimination or racism such as Critical Race Theory (CRT) or Social Emotional Learning (SEL), the right to access all information related to their child's education and the right to privacy of their child's data.

Save Women's Sports

Protect women's opportunities, health, safety, and fair play in sports by banning biological men from competing in women's collegiate athletics.
