Hello,

I'm running for Governor of Texas. This race is going to be one of the closest elections ever held in our state. It's going to take all of us coming together to win to finally deliver on great jobs, world-class schools, and the ability to see a doctor.

You may be wondering how you can help. Our records indicate that you are not registered to vote at this address. You can **register to vote now and help build a people-powered campaign that can reach every Texan.** We can't count out a single vote in a race as close as this one.

I have not been finally convicted of a felony, or if a felon, I have completed all of my punishment including any term of incarceration, parole, supervision, period of probation, or I have been pardoned; and, I have not been determined by a final judgment of a court exercising probate jurisdiction to be totally mentally incapacitated or partially mentally incapacitated without the right to vote.
