Hello,

I'm running for Governor of Texas. This race is going to be one of the closest elections ever held in our state. It's going to take all of us coming together to win to finally deliver on great jobs, world-class schools, and the ability to see a doctor.

You may be wondering how you can help. Our records indicate that you are not registered to vote at this address. You can register to vote now and help build a people-powered campaign that can reach every Texan. We can't count out a single vote in a race as close as this one.

We've included a free voter registration form and a pre-paid envelope to make it easy to get registered. All you need to do is fill out any missing fields and send it in.

Thank you for your time and I hope to earn your support before Election Day on November 8th, 2022.
