

Republican Party of Texas Statewide 2024 Republican Primary Likely Voter Poll

This survey was conducted from November 12 – November 13, 2022, through a series of interactive voice response calls, and online surveys delivered via SMS messages. 1,099 survey respondents were randomly selected from a demographically proportionate sample of voters who are likely to participate in the 2024 Texas Republican primary election. Weighted demographics include age and gender. The survey has a $\pm 2.96\%$ margin of error with a confidence level of 95%.
