At the direction of the committee Mrs. Singleton moved the adoption of proposed rules for preliminary use of electronic voting at the December, 2017 SREC meeting. Motion passed via voice vote.

Larry Hicks-Treasurer gave his report.

Chairman Dickey gave the report of the Officials Committee. At the direction of the committee the Chairman moved the core budget be approved with the provision that the Officials Committee meet monthly until the next SREC takes office and be authorized to require costs to be cut if revenue projections are not met and that the wish list items be approved to fund at the Chairman's discretion provided the fund are available. Jeremy Blosser, SD-10, inquired as to the authority, under the bylaws, of the Officials Committee to require cost cuts. The Chairman responded that it has been custom to treat the budget as general categories and that the bylaws give the chairman broad general CEO powers with specific restrictions where the chair must seek Officials Committee approval such as for certain contracts and personnel. The Chairman then asked the body to vote as to how to proceed. A "yes" vote would sustain the current custom of the SREC and Officials Committee advising and counseling the chair regarding expenditures and a "no" vote would extend to the Officials Committee new authority to demand specific cuts. The motion to affirm the current custom passed via electronic vote of 46 yes and 14 no.

Jeremy Blosser, SD-10, without objection, moved to change the word “require” to “recommend.” There was no objection.

Motion to amend the budget motion passed via electronic vote of 33 yes and 27 no.

Terry Holcomb, SD-3, with a second, called the question. Motion to call the question passed via voice vote.

The original budget motion, as amended, passed via electronic roll call vote of 56 yes and 2 no.

The meeting recessed for lunch at 11:57am.

The meeting was called back to order at 12:30pm.
